## EXPERIENCE

### APPEN GLOBAL, INTERNATIONAL

FEB '18- CURRENT

Independent contractor working to improve the human side of digital content.

### ASCEND PEDALBOARDS, CINCINNATI, OH

MAR '14- JUL '17

I started a small wood-working business from our home in Cincinnati, OH. We were able to serve a boutique clientele from across the nation.

### CHRIST'S FELLOWSHIP CHURCH, MAINEVILLE, OH

OCT '10- AUG '15

Youth minister at a small church plant. We were able to grow and purchase our own property during this time. Highlights include a growing youth group and mission trips to Rockford (IL), Joplin, and Chicago. We also hosted a healthy sexuality seminar attended by the church members and the community.

### PARK AVENUE CHRISTIAN CHURCH, MONTEBELLO, CA

JUL '06- MAY '10

Transitioned from being the Youth Minister to Lead Minister as directed by elders. Healthy teams developed for leadership as I hired the next Lead Minister. We led growth from a church of 35 in significant decline to the point of stability, doubling attendance and growing. Our outreach events reached thousands of people in the community, and I led a Homework House of volunteers and staff which served 50-75 students a week. Office and ministry staff oversight was part of my role.

### WINDSOR ROAD CHRISTIAN CHURCH, CHAMPAIGN, IL

JUL '04- JUN '05

Youth Intern for a large youth ministry with over 150 students. Oversaw local volunteer opportunities and taught small groups.
